

ENVIRONMENTAL POLICY

TPE is committed to environmental protection which is integral to the conduct of its operations.

TPE is committed to;

- **Operating practices** which seek to minimise impacts, prevent pollution and minimise the likelihood of environmental harm through work and management practices, continual improvement, the use of new technology and training;
- **Compliance** with all applicable environmental laws and regulations and codes of practice;
- **Management review** of environmental objectives and targets;
- **Environmental incidence response** – contingency plans to minimise health, safety and environmental risks;
- **Rehabilitation** of areas affected by business operations;
- **Communication** of the TPE environmental policy to employees and contractors
- Striving to meet **Community Expectations** through consultation with TPE and with other bodies, community groups and neighbours about environmental matters of common concern.

TPE will encourage concern and respect for the environment and will emphasise every employee's responsibility for environmental performance.
