

HEALTH AND SAFETY POLICY

It is the policy of TPE to ensure that all company activities are performed in a manner that protects the health and safety of employees, contractors and the general public.

TPE will continually strive to improve its safety performance, minimise risk to health and achieve Zero Harm. TPE will seek to comply with all applicable laws, regulations and other industry standards, codes of practice and guidelines relating to occupational health & safety.

TPE is committed to:

- Achieving Zero Harm;
- Ensuring that health and safety information is communicated and available to all employees and contractors and be available to other interested parties;
- Providing healthy and safe work areas, safe equipment and systems of work for employees and contractors;
- Training employees and contractors in health and safety issues that affect their work;
- Regularly reviewing work areas and practices to improve health and safety to ensure compliance with statutory requirements;
- Holding all levels of Management accountable for health and safety matters in their area of responsibility, while at the same time recognising that each employee has direct responsibility to follow practices which ensure their own health and safety and that of their fellow employees.

There is no task we undertake that is so important, we can't take the time to find a safe way to do it.
